Hello Artists & Friends,

If you aren't a member already, we invite you to join your local arts community through membership in Arts Around Greenville, a subgroup of Community Partners of Greenville (NFP). Currently, we show work at the Greenville Library Art Gallery, attend openings & exhibits, host monthly Art Salons at member's studios, offer a studio tour weekend, have a monthly newsletter, and share resources. We will continue to create arts initiatives in our area, and to foster a supportive community to promote your skills and events. Membership is only \$10 annually and can be paid right on our website: CPOG.org.

Please join us for the second **Arts Around Greenville Studio Tour**. It is open to member Artists who reside within a 12-mile radius of Greenville. Our tour is unique because we offer both the opportunity to invite potential collectors into artist's creative spaces, as well as **group exhibit space for artists who do not have their own accessible studio space for the tour.**

A studio tour gives new collectors a chance for an intimate look at your process and what makes your work unique, establishing a personal connection which often results in sales. Last year more than 70 pieces of art work were sold with a total sales of over \$6,600. The Tour begins with a Preview Art Show at The North Barn at the George V. Vanderbilt Town Park, located on Town Park Road in Greenville. The opening is scheduled for May 7th from 2-5 pm, and it is mandatory for tour

artists to participate. The show will be up from May 7th through the 21st with gallery hours of 11-5 on Saturdays, and during special CPOG musical events during the week. Members are invited to schedule artist talks and demonstrations throughout the time. It's a great opportunity to promote your work.
